

HUGE SELECTION OF WIRE & CABLE WITH PERSONAL SERVICE

World class manufacturer of electronic wire and cable,
both copper and fiber optic cable.

WHY CHOOSE REMEE?

MADE IN THE USA

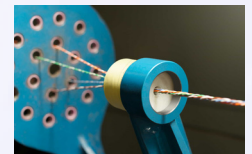

Remee's ability to modify standard products, design and manufacture custom and complex cable constructions, as well as to manufacture standard stock items, is a result of having strong engineering depth and broad manufacturing capabilities.

2

90 % MATERIALS ARE SOURCED LOCALLY

Remee has the engineering expertise, the manufacturing capabilities and the right equipment to make very complex cable constructions and our materials are 90% locally sourced! We're specialists in manufacturing siamese cable, composite wire and cable, hybrid cable, bundled cable and messengered cable.

50 YEARS OF MANUFACTURING

Remee's dedication to excellence in engineering, manufacturing for 50 years and high quality-control standards apply whether the products are custom made cables or standard stock items. We are large enough to handle high volume orders, yet small enough to provide quick turn-around delivery.

EXTENSIVE CABLE CONSTRUCTION SELECTION & CAPABILITIES

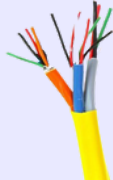

Remee specializes in complex cable constructions, such as siamese cable, composite wire and cable, hybrid cable, bundled cable and messengered cable.
